President's Message:

Education is single most important tool for us to make a civilized and progressive society. On one hand we need to equip ourselves with factual knowledge and technical skills so that we can make technological advancements, cure diseases, produce food and find answers to the question of life and cosmos. On the other hand we also need to inculcate qualities like camaraderie- to work together; kinship- to share our progress and positive outlook to make a just and inclusive society. This is the mission of our trust- we shall always strive to provide education with value system. We seek your support, guidance and participation towards this goal.

INTRODUCTION OF PGDM

PGDM Programme is renowned for its extensive and in depth coverage of core and specialized courses, creating innovation and entrepreneurial qualities. The Programme is approved by All India Council for Technical Education(AICTE).

The two year full time Post Graduate Programme comprises of four semesters. The first two terms focus on Foundation and Application aspects of management and the last two terms focus on Specialization and Integration with global developments in different areas of management.

In addition, the curriculum includes regular assignments and live projects, summer internships and an end term research project. Managerial & leadership skills amongst students on voluntary basis. PGDM General Management provide students a sound understanding of the different disciplines and functions of business management. The core curriculum develops essential skills and knowledge in the areas of Economics, Organization Behaviour, Finance and Accounting, Management Control, Marketing, Human Resource Management, Information Systems and Quantitative Methods

The PGDM Programme offers a unique feature , whereby a student can choose courses from two areas of specialization, thus having a broader choice of careers. The second year courses are a mix of compulsory (core) courses and electives in the specialization areas of student's choice.

After B.Tech From Aligarh College of Engineering & Technology, Aligarh, took Admission in NDIIT, New Delhi (Batch 2019-21). I have done PGDM (Finance). NDIIT helped to turn my Dreams into Reality Special thanks to learned faculties and management of NDIIT. The college has great atmosphere to learn modern and latest managerial Skills. Faculties are very good. Entire Batch got placed in the Month of November. I got Placed in Accenture. as an Operation Associate (Finance) and now I am handling projects for GOOGLE Very Very Special Thanks to NDIIT Placement Cell.
